**Tuesday 12th – Take Five**

Have you wondered why our most attended monthly social is called *Take Five*? When this light wine and hors d'oeuvres social began over four years ago, the vibe encompassed Jazz music featuring the late Dave Brubeck, an American jazz pianist and composer often regarded as a foremost exponent of cool jazz in the 50s and 60s. Brubeck's alto saxophonist Paul Desmond wrote the song, *Take Five*, called such because it was written in an unusual 5/4 meter. Join Village friends for food and drink with Pat Jahoda at the piano. Guests will hear the famous *Take Five* song during this fun gathering. **4pm** **PH R**
